BLÉDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 19th day of October, 1931.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

PURSUANT to the powers conferred by section seventy-two of the Police Offences Act, 1927, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations for the purposes of the said section.

REGULATIONS.

1. THESE regulations may be cited as the Police Offences (Wrestling Contest) Regulations, 1931.

2. In these regulations—

"The said section" means section 72 of the Police Offences Act, 1927;

"Inspector" means an Inspector of Police acting under the said section;

"Permit" means a permit granted by an Inspector of Police under the provisions of the said section;

"Wrestling Contest" has the same meaning as in the said section, namely,—

"(1) For the purposes of this section the term 'wrestling contest' means any wrestling match, wrestling competition, or wrestling exhibition for admission to which a charge is made or at which a collection is taken up, or at which those present are invited or permitted to contribute money or to deposit it in the building or elsewhere, or on the result of which any stake, payment, or prize depends."

3. Every application for a permit shall be made in writing, signed by the person desiring to hold the wrestling contest or by a responsible officer on behalf of the association, club, or other body or organization desiring to hold the wrestling contest.

4. Every application shall be made at least seven days before the date on which it is proposed to hold the wrestling contest, and shall be made to the Inspector whose office is nearest to the place where it is proposed to hold the same: Provided that the Inspector may in his discretion entertain an application made less than seven days before the date aforesaid.

5. Every such application shall state the precise time when and precise place where it is proposed to hold the wrestling contest, and the name of the person appointed to control the conduct thereof as referee, and the name of every person to take part therein as a competitor.

6. Every permit shall, unless otherwise so expressed, operate as a permit to hold a wrestling contest at the time and place named in the application under the control of the person named therein in that behalf between or amongst the wrestlers named therein, and not further or otherwise: Provided that, if on account of unforeseen circumstances it is desired by way of alteration to hold the contest at some other time or place, or under the control of some other person, or between or amongst wrestlers one or more of whom is not named in the application or permit, the Inspector or any Police Officer authorized by him in that behalf may, on application made at any time prior to the contest, consent to and make such

alteration, and the permit shall thereupon operate as a permit to hold a wrestling contest in terms of the permit as so altered.

7. Before granting a permit the Inspector may require such evidence as he thinks proper relating to the persons to take part in the contest or the wrestling rules under which the contest is to be conducted, and may require an undertaking from the applicant or the person or persons appointed to control the conduct of the contest, or from any other responsible person, that such wrestling rules will be observed and enforced.

8. The granting or withholding of a permit shall in all cases be in the absolute discretion of the Inspector.

9. Every permit shall be deemed to be granted subject to the following conditions irrespective of the terms of any wrestling rules under which the contest is to be conducted:—

(a) That the contest shall be conducted in a ring not less than 24 ft. square, and approved by the Inspector;

(b) That such ring shall be enclosed by at least four horizontal tightly-stretched ropes the top one of which shall be cased in leather or other suitable material;

CONVENTION.

His Majesty the King of Great Britain, Ireland, and the British Dominions beyond the Seas, Emperor of India, and His Majesty the King of Sweden.

Being desirous to render mutual assistance in the conduct of legal proceedings, in their respective territories, in civil and commercial matters which are being dealt with or which may possibly be dealt with by their respective judicial authorities have resolved to conclude a Convention for this purpose and have appointed as their Plenipotentiaries:—

His Majesty the King of Great Britain, Ireland, and the British Dominions beyond the Seas, Emperor of India.

For Great Britain and Northern Ireland:—

The Right Honourable Arthur Henderson, M.P., His Principal Secretary of State for Foreign Affairs:

His Majesty the King of Sweden:

Baron Eric Gyllenstierna, His Charge d'Affaires *ad interim* in London:

Who, having communicated their full powers, found in good and due form, have agreed as follows:—

I.—PRELIMINARY.

Article 1.

(a) This Convention applies only to civil and commercial matters, including non-contentious matters.

(b) In this Convention the words "territory of one (or of the other) High Contracting Party" shall be interpreted as meaning at any time any of the territories of such High Contracting Party to which the Convention at that time applies.

II.—SERVICE OF JUDICIAL AND EXTRA-JUDICIAL DOCUMENTS.

Article 2.

When judicial or extra-judicial documents drawn up in the territory of one of the High Contracting Parties are required to be served on persons, partnerships, companies, societies, or other corporations in the territory of the other High Contracting Party, such documents may be served on the recipient whatever his nationality, in the manner provided in Article 3.

Article 3.

(a) A request for service shall be addressed by a Consular Officer of the High Contracting Party, from whose territory the documents to be served emanate to the competent authority of the country where the documents are to be served, requesting such authority to cause the documents to be served. The request shall be sent by such Consular Officer to such authority.

(b) The request for service shall be drawn up in the language of the country where service is to be effected.

The request for service shall state the full names and descriptions of the parties, the full names, address, and description of the recipient, and the nature of the document to be served, and shall enclose the documents to be served in duplicate.

(c) The document to be served shall either be drawn up in the language of the country in which it is to be served, or be accompanied by a translation in such language. Such translation shall be certified as correct by a Consular Officer of the High Contracting Party from whose territory the document emanates.

(d) Requests for service shall be addressed and sent:—

In Sweden to the Governor of the Province in which service is to be effected.

In England to the Senior Master of the Supreme Court of Judicature.

If the authority to whom a request for service has been sent is not competent to execute it, such authority shall of his own motion transmit the document to the competent authority of his own country.

(e) Service shall be effected by the competent authority of the country where the document is to be served, who shall serve the document in the manner prescribed by the municipal law of such country for the service of similar documents, except that, if a wish for some special manner of service is expressed in the request for service, such manner of service shall be followed in so far as it is not incompatible with the law of that country.

(f) The execution of the request for service duly made in accordance with the preceding provisions of this Article shall not be refused unless (1) the authenticity of the request for service is not established, or (2) the High Contracting Party in whose territory it is to be effected considers that his sovereignty or safety would be compromised thereby.

(g) The authority by whom the request for service is executed shall furnish a certificate proving the service or explaining the reason which has prevented such service, and setting forth the fact, the manner and the date of such service or attempted service, and shall send the said certificate to the Consular Officer by whom the request for service was made. The certificate of service or of attempted service shall be placed on one of the duplicates or attached thereto.

Article 4.

(a) The provisions of Articles 2 and 3 in no way prejudice the right to use in the territory of either High Contracting Party, without any request to or intervention of the authorities of the country where service is to be effected, any of the following methods of service in connection with judicial or extra-judicial documents drawn up in the territory of the other High Contracting Party:—

(1) Service by a Consular Officer of the High Contracting Party from whose territory the document emanates;

(2) Service by an agent appointed for the purpose either by the judicial authority by whom service of the document is required, or by the party on whose application the document was issued;

(3) Through the postal channel;

(4) Any other mode of service recognized by the law existing at the time of service in the country from which the documents emanate.

(b) It is understood that the validity and effect of any such service will remain a matter for the determination of the respective Courts of the High Contracting Parties in accordance with their law.

(c) The High Contracting Parties agree that in principle it is desirable that documents served by any of these methods should, unless the recipient is a subject of the High Contracting Party from whose territory the document to be served emanates, either be drawn up in the language of the country in which service is to be effected or accompanied by a

translation into such language. Nevertheless, in the absence of any legislation in their respective territories making translations obligatory in such cases, the High Contracting Parties do not accept any obligation in this respect.

Article 5.

(a) In any case where documents have been served in accordance with the provisions of Article 3, the High Contracting Party, by whose Consular Officer the request for service is addressed, shall pay to the other High Contracting Party any charges and expenses which are payable under the law of the country where the service is effected to the persons employed to effect service, and any charges and expenses incurred in effecting service in a special manner. These charges and expenses shall not exceed such as are usually allowed in the Courts of that country.

(b) Repayment of these charges and expenses shall be claimed by the competent authority by whom the service has been effected from the Consular Officer by whom the request was addressed when sending to him the certificate provided for in Article 3 (g).

(c) Except as provided above, no fees of any description shall be payable by one High Contracting Party to the other in respect of the service of any documents.

III.—TAKING OF EVIDENCE.

Article 6.

When a judicial authority in the territory of one of the High Contracting Parties requires that evidence should be taken in the territory of the other High Contracting Party such evidence may be taken in the manner prescribed in Article 7. The taking of evidence includes the production, identification, and examination of documents or exhibits.

Article 7.

(a) The judicial authority by whom the evidence is required may, in accordance with the provisions of its law, address itself by means of "Letters of Request" to the competent authority of the country where the evidence is to be taken, requesting such authority to take the evidence.

(b) The "Letter of Request" shall be drawn up in the language of the country where the evidence is to be taken, or be accompanied by a translation in such language. Such translation shall be certified as correct by a Consular Officer of the High Contracting Party from whose judicial authority the request emanates. The "Letters of Request" shall state the nature of the proceedings for which the evidence is required, the full names and descriptions of the parties thereto, and the full names, addresses, and descriptions of the witnesses. They shall also either be accompanied by a list of interrogatories to be put to the witness or witnesses and a translation thereof certified as correct in the manner heretofore provided, or shall contain instructions or information as to matters in relation to which evidence is required, or alternatively shall request the competent authority to allow such questions to be asked *vis à voce* as the parties or their representatives shall desire to ask.

(c) The "Letters of Request" shall be transmitted—

In England by a Swedish Consular Officer to the Senior Master of the Supreme Court of Judicature.

In Sweden by a British Consular Officer to the Tribunal of First Instance in the jurisdiction of which the witnesses to be examined are resident.

In case the authority to whom "Letters of Request" are transmitted is not competent to execute them, such authority shall forward the "Letters of Request" without any further request to the competent authority of his own country.

(d) The competent authority to whom the "Letters of Request" are transmitted or forwarded shall give effect thereto, and obtain the evidence required by the use of the same compulsory measures and the same procedure as are employed in the execution of a commission or order emanating from the authorities of his own country, except that, if a wish that some special procedure should be followed is expressed in the "Letters of Request," such special procedure shall be followed in so far as it is not incompatible with the law of the country where the evidence is to be taken.

(e) The Consular Officer, by whom the "Letters of Request" are transmitted, shall, if he so desires, be informed of the date and place where the proceedings will take place, in order that he may inform the interested party or parties, who shall be permitted to be present in person or to be represented if they so desire.

(f) The execution of the "Letters of Request" can only be refused—

(1) If the authenticity of the "Letters of Request" is not established.

(2) If in the country where the evidence is to be taken the execution of the "Letters of Request" in question does not fall within the functions of the Judiciary.

(3) If the High Contracting Party in whose territory the evidence is to be taken considers that his sovereignty or safety would be compromised thereby.

(g) In every instance where the "Letters of Request" are not executed by the authority to whom they are addressed, the latter will at once inform the Consular Officer by whom they were transmitted, stating the grounds on which the execution of the "Letters of Request" has been refused, or the judicial authority to whom they have been forwarded.

Article 8.

(a) The provisions of Articles 6 and 7 in no way prejudice the right of taking evidence required by a judicial authority in the territory of one High Contracting Party in the territory of the other, without any request to or intervention of the authorities of the country where the evidence is to be taken, by a person qualified to do so according to the law of the country by whose Court the evidence is required. Such person may be a Consular Officer of the High Contracting Party whose Court requires the evidence or any other suitable person directly appointed for the purpose.

(b) It is understood that, where the method of taking evidence referred to in the preceding paragraph is employed, the procedure must be entirely voluntary, and no measures of compulsion can be employed, and the admissibility of evidence so taken remains a matter for the determination of the respective Courts of the High Contracting Parties in accordance with their law.

Article 9.

The fact that an attempt to take evidence by the method mentioned in Article 8 has failed owing to the refusal of any witness to appear, to give evidence, or to produce documents or exhibits does not preclude a request being subsequently made in accordance with Article 7.

Article 10.

(a) Where evidence is taken in the manner provided in Article 7, the High Contracting Party, by whose judicial authority the "Letters of Request" are addressed, shall repay to the other High Contracting Party any expenses incurred by the competent authority of the latter in the execution of the request in respect of any charges and expenses payable to witnesses, experts, interpreters, or translators, the cost of obtaining the attendance of witnesses who have not appeared voluntarily, and the charges and expenses payable to any person whom such authority may have deputed to act in cases where the law of his own country permits this to be done, and any charges and expenses incurred by reason of a special procedure being requested and followed. These expenses shall be such as are usually allowed in similar cases in the Courts of the country where the evidence has been taken.

(b) The repayment of these expenses shall be claimed by the competent authority, by whom the "Letters of Request" have been executed, from the Consular Officer, by whom they were transmitted, when sending to him the documents establishing their execution.

(c) Except as above provided no fees of any description shall be payable by one High Contracting Party to the other in respect of the taking of evidence.

IV.—JUDICIAL ASSISTANCE FOR POOR PERSONS, IMPRISONMENT FOR DEBT AND SECURITY FOR COSTS.

Article 11.

The subjects of one High Contracting Party shall enjoy in the territory of the other High Contracting Party a perfect equality of treatment with subjects of that High Contracting Party as regards free judicial assistance for poor persons and imprisonment for debt; and provided that they are resident in any such territory, shall not be compelled to give security for costs in any case where a subject of such other High Contracting Party would not be so compelled.

V.—GENERAL PROVISIONS.

Article 12.

Any difficulties which may arise in connection with the operation of this Convention shall be settled through the diplomatic channel.

Article 13.

The present Convention, of which the English and Swedish texts are equally authentic, shall be subject to ratification. Ratifications shall be exchanged in London. The Convention shall come into force one month after the date on which ratifications are exchanged, and shall remain in force for three years after the date of its coming into force. If neither of the High Contracting Parties shall have given notice through the diplomatic channel to the other not less than six months

before the expiration of the said period of three years of his intention to terminate the Convention, it shall remain in force until the expiration of six months from the day on which either of the High Contracting Parties shall have given notice to terminate it.

Article 14.

(a) This Convention shall not apply, *ipso facto*, to Scotland or Northern Ireland, nor to any of His Britannic Majesty's Colonies or Protectorates, nor to any territories under his suzerainty, nor to any mandated territories administered by His Government in the United Kingdom of Great Britain and Northern Ireland, but His Britannic Majesty may at any time, while the Convention is in force under Article 13, by a notification given through his Minister at Stockholm, extend the operation of this Convention to any of the above-mentioned territories.

(b) Such notification shall state the authorities in the territory concerned to whom requests for service or for the taking of evidence are to be transmitted, and the language in which communications and translations are to be made. The date of the coming into force of any such extension shall be one month from the date of such notification.

(c) Either of the High Contracting Parties may, at any time after the expiry of three years from the coming into force of an extension of this Convention to any of the territories referred to in paragraph (a) of this Article, terminate such extension on giving six months' notice of termination through the diplomatic channel.

(d) The termination of the Convention under Article 13 shall, unless otherwise expressly agreed to by both High Contracting Parties, *ipso facto*, terminate it in respect of any territories to which it has been extended under paragraph (a) of this Article.

Article 15.

(a) His Britannic Majesty may at any time, while the present Convention is in force, either under Article 13 or by virtue of any accession under this Article, by a notification given through the diplomatic channel, accede to the present Convention in respect of any of His self-governing Dominions or India, provided that no notification of accession may be given at any time when His Majesty the King of Sweden has given notice of termination in respect of all the territories of His Britannic Majesty to which the Convention applies. The provisions of Article 14 (b) shall be applicable to such notification. Any such accession shall take effect one month after the date of its notification.

(b) After the expiry of three years from the date of the coming into force of any accession under paragraph (a) of this Article, either of the High Contracting Parties may, by giving a six months' notice of termination through the diplomatic channel, terminate the application of the Convention to any country in respect of which a notification of accession has been given. The termination of the Convention under Article 13 shall not affect its application to any such country.

(c) Any notification of accession under paragraph (a) of this Article may include any dependency or mandated territory administered by the Government of the country in respect of which such notification of accession is given; and any notice of termination in respect of any such country under paragraph (b) shall apply to any dependency or mandated territory which was included in the notification of accession in respect of that country.

In witness whereof the undersigned have signed the present Convention, in English and Swedish, and have affixed thereto their seals.

Done in duplicate at London the 28th day of August, 1930.
