

LOCAL RATES—*continued.*4. Miscellaneous—*continued.*

Small lots of goods of Classes A, B, C, and D from Auckland or Newmarket to stations Taupiri-Hamilton (inclusive), also stations Mahuta to Glen Afton inclusive, will be charged *pro rata* of the local or classified rates, as the case may be, instead of under Regulation 71, General Scale of Charges; minimum charge, 1s. 6d.

LOCAL UNIFORM RATES.

Goods of Classes E, F, N, P, Q, R, and artificial manures (Regulation 86, General Scale of Charges) from any station to stations Papatoetoe - Waiuku - Hamilton (inclusive) will be charged at the local or classified Class D rate, Regulation 69, General Scale of Charges, such rate being referred to in the following proviso as the "local uniform rate": Provided, however, that to those persons or bodies of persons (whether incorporated or not) who shall undertake to place with or cause to be placed with the Board the whole of their goods requiring conveyance between places in New Zealand, where in the opinion of the Board it is reasonably practicable for such persons or bodies of persons to have their goods conveyed by railway, the benefit of the classified rates under which such goods would be charged had the local uniform rate not been in operation shall be extended and be payable in all cases where such classified rates shall be cheaper than the local or classified Class D rate, Regulation 69, General Scale of Charges.
