

(c) The continued existence in a state contrary to any of these by-laws of any work or thing shall be deemed a continuing offence within the meaning of this by-law.

(d) Where by any Act smaller maximum penalties than those mentioned in this clause are authorized to be imposed for the breach or continued breach of any of these by-laws, then a person guilty of any breach or continued breach of any such by-law shall (if such by-law is not authorized to be made under the Municipal Corporations Act, 1920) be liable only to such smaller penalty.

42. Removal of works executed contrary to by-laws: (a) Whenever any work, material, or other construction or appliance, or anything whatever shall have been executed, erected, placed, laid, constructed, or affixed in contravention of any of these by-laws, or shall exist in a form or manner otherwise than as directed or authorized by any of these by-laws, it shall be lawful for the Department's local controlling officer by notice in writing under his hand to require the person by whom, or by whose authority or on whose behalf, the work shall have been done, or if he shall not at the time of the giving of the notice be either the owner or the occupier of the premises affected, then the person who shall at such time be the owner of such premises, to pull down, take up, or remove such work, material, construction, appliance, or thing as aforesaid, or alter the same so as to comply with the by-law or by-laws affecting the same within (in each case) a stated time.

(b) If such work, material, construction, appliance, or thing shall not be pulled down, taken up, or removed, or altered as aforesaid within such stated time, it shall be lawful for the Department's local controlling officer or any person authorized by him in that behalf to pull down, take up, and remove, or (as the case may be) alter as aforesaid the same work, construction, appliance, material, or thing, and to enter into and upon any land or building for that purpose and to do anything thereon or thereto necessary to effect such pulling-down, taking-up, removal, or alteration.

(c) The Department may recover in any Court of competent jurisdiction from the person who shall have committed the breach of any of these by-laws in respect of the execution, erection, placing, laying, constructing, or affixing, or existence of the said work, material, construction, appliance, or thing

(d) The exercise of the powers given by this by-law shall not relieve any person from liability to any penalty incurred under these by-laws.
