

bush; along the said bush edge, generally northerly, easterly, and southerly to White Slip, and the right bank of the Cascade River, again to the Otago Land District boundary, thereby excluding all the open tops and slopes of the watershed between Durward's Creek and the Gorge and Cascade rivers; thence again easterly by the said land district boundary to the eastern bush edge of the Olivine Range; thence generally northerly along the edge of the bush to its point of intersection with the western boundary of Block XVI, Cascade Survey District, and by a right line joining the said point of intersection and the Martyr River Bridge on the Cascade-Jackson's Road; thence along the north-western boundary of Pastoral License 1005 (*Gazette* 1928, page 1894), to its intersection with the south-easterly boundary of Miscellaneous License 1405, the left bank of the Ellery River; thence along the said river-bank to its confluence with Bungle Brook, and in a north-westerly direction along the boundary of the said license to a point in line and 4,200 links distant from the south-eastern boundary of Section 427; thence to and along the said boundary and the south-eastern boundary of Section 428 to the point of commencement; excluding therefrom Lake Ellery and all roads.

Also all that area containing approximately 11,350 acres, being formerly part of Provisional State Forest No. 1692 aforesaid, situated in Block XVI, Cascade, and Blocks VI, IX, X, XIII, and XIV, Arawata Survey Districts, and bounded generally as follows: Commencing at the most western corner of Section 2236, Block XIV, Arawata Survey District, and proceeding along the westerly and northerly boundaries of the said section, the latter produced to the Arawata River; thence along the left bank of the said river to the edge of "Jackson Flat" and by the western edge of the said flat to the Arawata River; thence again along the said bank of that river to its confluence with Anderson Creek; thence along the right bank of the said creek, and the eastern and south-eastern boundaries of Pastoral License 1005 (*Gazette* 1928, page 1894), to the right bank of Jackson River; thence along the bank of the said river to the southern bush edge on the Thompson Range; thence generally easterly, northerly, and southerly along the said edge of the bush to its point of intersection with a production of the southern boundary of Section 2236, and along the said produced line to the point of commencement; excluding therefrom all roads.

Also all that area containing approximately 14,850 acres, being formerly part of Provisional State Forest No. 1692 aforesaid, situated in Blocks VIII, XII, XV, and XVI, Macfarlane, and Blocks I, V, and IX, Jackson Survey Districts, and bounded generally as follows: Commencing at the point of intersection of the left bank of the Arawata River and the Otago Land District boundary, and proceeding along the said boundary 5,400 links to the eastern bush edge of the Olivine Range; thence generally north-easterly along the said edge of the bush to Shady Creek; along that Creek to "Lumber Flat" and along the edge of the said flat to McArthur Creek; thence generally south-westerly along a line ten chains from and parallel to the left bank of the Arawata River to the mouth of the "Ten Hours" Gorge; thence southerly ten chains to the said river and along its left bank to the point of commencement; excluding therefrom all roads.

As the same are more particularly delineated on plan No. 155/4, deposited in the Head Office of the State Forest at Wellington, and thereon coloured green.

All that area in Westland Land District, containing approximately 73,500 acres, being formerly part of Provisional State Forest No. 1692 (*Gazette* 1919, page 1284—ordinary Provisional State Forest), situated in Blocks VI, VII, X, XI, XIV, and XV, Arawata, Blocks II, III, V, VI, VII, IX, X, XI, XIII, XIV, and XV, Jackson, and Blocks XII, XV, and XVI, Macfarlane Survey District, and bounded generally as follows: Commencing at the point of intersection of the right bank of the Arawata River and the production of the southern boundary of Ferry Reserve 236, Block VI, Arawata Survey District, and proceeding to and along the said boundary to the Main South Road; thence along the south side of the said road to the eastern boundary of Block VII, Arawata Survey District, and along the eastern boundary of the said block to the southern edge of bush on the western side of the Haast Range; thence generally southerly following the edge of the bush to the southern boundary of Block II, Jackson Survey District; thence along the said boundary and the southern boundary of Block III of the said Survey District to the bush edge on the eastern side of the aforesaid Haast Range and generally northerly by the said bush edge to the eastern boundary of Block XI, Arawata Survey District; thence along southward, the eastern boundaries of Blocks XI and XV, Arawata Survey District, and Blocks III, VII, XI, and XV, Jackson Survey District; thence along the northern boundaries of Blocks III, II, and I, Mount Aspiring Survey District, and the western boundary of the said Block I to the Otago Land District boundary; thence along the said

boundary to the Arawata River, and by the right bank of the Arawata River to the mouth of the "Ten Hours" Gorge; thence south ten chains from the right bank thereof and generally north-easterly by a line ten chains from and parallel to the said bank of the Arawata River to the Waipara River, and along the Waipara River and the edge of the flat land lying between the Waipara River and the northern boundary of Block VI, Jackson Survey District; thence again by the right bank of the Arawata River to the edge of the open flat land known as "Quail Flat" and along the eastern edge of this flat to the Arawata River; thence by the bank of the Arawata River to the edge of the open flat lands, commencing at a point between T.L. Creek and Trig. Station "T.J."; thence by the bush edge on the south and east of this open country to and along Tuning Fork Creek to the Arawata River, and again by the right bank of the Arawata River to the point of commencement.

As the same is more particularly delineated on plan No. 155/4, deposited in the Head Office of the State Forest Service at Wellington, and thereon coloured green.

All that area in the Westland Land District containing approximately 42,360 acres, being formerly part of Provisional State Forest No. 1712 (*Gazette* 1921, page 2920—ordinary Provisional State Forest, 3,720 acres), and part of Provisional State Forest No. 1689 (*Gazette* 1919, page 1284—ordinary Provisional State Forest, 38,640 acres), situated in Blocks XI, XII, XV, and XVI, Okuru, Blocks XIII, XIV, XV, and XVI, Mataketake, Blocks I, II, III, and IV, Governor's Pass, Block XIII, Clarke, and Block I, Haast Pass Survey Districts, and bounded generally as follows: Commencing at the most western corner of Section 2520, Block XII, Okuru Survey District, and proceeding along the said section's south-westerly boundary, the south-western boundary of Section 2521, across a road reserve and the southern and south-eastern boundaries of Section 2522, the latter produced to the Haast River; thence along the left bank of the said river to a point in line with the western boundary of Section 2625; thence to and along said boundary and the southern boundary of the said section to the edge of the flat land known as "Christmas Flat," along the southern edge of this flat to the south-eastern corner of Section 2626, and by the eastern boundary of the said section and by its production to the Haast River; thence along the said river to the point in line with the north-western boundary of Section 2585; thence to and along said boundary and the south-western boundaries of Sections 2585 and 2586, and the southern and eastern boundaries of Section 2587, the latter produced to the Haast River; thence again along the left bank of the Haast River to the flat land known as "Depot Flat," and by the western, southern, and eastern boundaries of said flat again to the Haast River; thence again along the left bank of the said river to a point in line with the north-western boundary of Reserve 175; thence to and along the said boundary, the south-western and south-eastern boundaries of said reserve to "Fragrant Flat," and by the edge of this flat to the Haast River; thence along a right line to the western-most corner of Reserve 174 and along the south-western and the south-eastern boundaries of said reserve, the latter boundary produced to the Haast River; thence again along the left bank of the said river to the edge of that land known as "Sunny Flat," and by the said flat's edge to Solitude Stream; thence in a south-westerly direction along the north-western boundary of Run 635 to a point on the southern boundary of Block IV, Governor's Pass Survey District, 14,500 links west from the left bank of the Haast River; thence along the southern boundaries of Blocks IV, III, II, and I, Governor's Pass Survey District, the western boundary of said Block I, the southern boundary of Block XVI, Okuru Survey District, to the north-eastern boundary of Pastoral License 1015 (*Gazette* 1929, page 3063); thence along that boundary and the western boundary of said license to the right bank of the Okuru River; thence by the said river to a road reserve, and north-easterly along this road reserve to its point of intersection with the north-eastern boundary of Section 2493 produced; thence from this point by a right line in a north-easterly direction to the point of commencement, excluding therefrom Lake Douglas, all roads, and all the open and scrub tops of Mark's Range lying to the westward of a line bearing 40° through Trig. Station P.R.

As the same is more particularly delineated on plan No. 145/15, deposited in the Head Office of the State Forest Service at Wellington, and thereon coloured green.

All that area in the Westland Land District containing approximately 103,890 acres, being formerly Provisional State Forest No. 1656 (*Gazette* 1920, page 2846—national-endowment Provisional State Forest, 3,100 acres), Provisional State Forest No. 1655 (*Gazette* 1920, page 2845—national-endowment Provisional State Forest, 4,800 acres), part of Provisional State Forest No. 1688 (*Gazette* 1919, page 1285—ordinary Provisional State Forest, 73,850 acres) and Crown Land (22,140 acres), situated in Blocks X, XI, XII, XIV, XV,
