

*Lands in the Auckland, Hawke's Bay, Taranaki, Wellington, Marlborough, and Canterbury Land Districts forfeited.*

Department of Lands and Survey, Wellington, 18th January, 1933.

NOTICE is hereby given that the leases and licenses of the undermentioned lands having been declared forfeited by resolutions of the Land Boards of the respective land districts, the said lands have thereby reverted to the Crown under the provisions of the Land Act, 1924, the Discharged Soldiers Settlement Act, 1915, and the Land for Settlements Act, 1925.

*Pastoral Run in Marlborough Land District for License.*

District Lands and Survey Office,  
Blenheim, 18th January, 1933.

NOTICE is hereby given that the undermentioned pastoral run will be opened for license in terms of the Land Act, 1924, and applications will be received at the District Lands and Survey Office, Blenheim, up to 4 o'clock p.m., on Tuesday, 7th March, 1933.

Applicants should appear personally before the Land Board for examination at the District Lands and Survey Office, Blenheim, on Thursday, 9th March, 1933, at 10 o'clock a.m., but if any applicant is unable to attend he may be examined by any other Land Board or by any Commissioner of Crown Lands.

SCHEDULE.

MARLBOROUGH LAND DISTRICT.

*Marlborough County.—Hodder and Avon Survey Districts.*

RUN 109: Area, 14,300 acres. Annual rental: £75 per annum for first four years; £100 per annum for next four years; £150 per annum for balance of term.

Term of license: Twenty-one years.

Weighted with £648 15s. for improvements, consisting of a cob whare (old) £30, half value of 850 chains boundary fences, £318 15s., grassing, £300. This sum is payable in cash.

The run is situated in the Avon District, approximately twenty-five miles by good metalled road from Blenheim to Avondale Homestead, and thence by bridle track for two miles. A considerable portion of the country is rough and broken with numerous barren tops which rise to an altitude of 5,475 ft.; rocky faces and shingle slides.

Manuka scrub and poor scraggy bush makes the back portion, containing approximately 6,000 acres, very difficult to muster.

An area of about 3,000 acres to 4,000 acres adjoining Lee field and Avondale is quite good tussock land and should make excellent ewe country provided that the necessary subdivisional fencing is erected and the country cleared of wild pigs. The fences have been considerably knocked about by cattle and will require repairing.

The run is well watered by running streams and should carry 3,000 dry sheep, but under good management should be able to carry 1,000 ewes and 2,000 dry sheep. The run is subject to rabbit rates and applicants should inform themselves regarding same.

Full particulars may be obtained from the undersigned.

P. R. WILKINSON,  
Commissioner of Crown Lands.

(L. and S. 8/6/82.)
