

Waimea County.—Wangapeka Survey District.
(National Endowment.)

Sections 23 and 25, Block XIV: Area, 1,615 acres. Capital value, £485; half-yearly rent, £9 14s.

Weighted with £1,271 10s. for improvements, comprising 253 chains of fencing, 1,115 acres in worn-out pasture, 400 acres of fern land, whare and lean-to, and wool-shed 25 ft. by 34 ft. The sum of approximately £555 may be secured by mortgage to the Superintendent, State Advances Department, payable over a period of thirty years, with interest at the rate of £6 5s. per centum per annum, and the balance of approximately £716 is payable in cash.

This is a grazing property subdivided into five paddocks, and is situated at the junction of the Wangapeka and Dart Rivers, five miles from the Matakaitaki Post-office and School, twelve miles from the Tadmor Railway-station, twenty-nine miles from Brightwater Dairy Factory, and sixteen miles from the Tapawera Saleyards by good roads. Cream is not collected from this property. Soil poor, resting on granite formation; well watered by permanent streams. Practically all broken hilly land, high country. Mostly suitable for grazing dry stock. There is a certain amount of foxglove and a few rabbits. In its present state this property is capable of carrying 700 dry sheep and 10 steers or heifers. It is doubtful if the carrying capacity could be increased by felling further bush.

Murchison County.—Howard Survey District.

Part Section 4, Block XIV: Area, 486 acres. Capital value, £250; half-yearly rent, £5.

This is a grazing property unsubdivided. The land is situated on the Howard Valley Road thirteen miles from Glenhope Post-office, seven miles from Howard Junction School, thirteen miles from Glenhope Railway-station, sixty miles from Brightwater Dairy Factory, and thirty-four miles from the Murchison Saleyards. Access is by four miles and a half of good metalled road and four miles and a half of unmetalled dray road from Hope Junction. Soil fair quality on lower slopes, poor on back of section, resting on slate formation; well watered by streams. This area comprises small stony flats along the Howard River, the higher country being undulating to steep. When bush felled and grassed will make fair sheep country.

Full particulars may be obtained from the Commissioner of Crown Lands, Nelson.
