

(4)(a) Except as hereinafter provided, the whole duration of the period of training required to be undergone in a Grade "A" Training-school or in a Grade "B" Training-school respectively shall be undergone in one such hospital only.

(b) A person unable to complete a period of training in one hospital may, under special conditions to be approved by the Board in each case, be allowed to complete such period in another hospital.

(c) Any period or periods, not exceeding in the aggregate six months, spent by a person undergoing training in a subsidiary hospital under the control and administration of the governing body of an approved hospital shall for the purposes of this regulation be deemed to be part of the period of training undergone in such approved hospital, subject to the conditions—

- (i) That no part of the training shall be undergone in any such subsidiary institution until the pupil nurse has completed twelve months' training, except where specially approved by the Board; and
- (ii) That such subsidiary hospital is a consumptive sanatorium, chronic ward, fever ward, cottage hospital, or similar institution; and
- (iii) That such subsidiary hospital is at all times managed by a nurse registered under the said Act.

#### 4. *Course of Instruction for Nurses.*

(1) The approved course of instruction in theoretical and practical nursing required to be received by every person seeking to be registered as a nurse under Part II of the said Act shall be the course prescribed by this regulation.

(2) Every pupil-nurse shall during the whole of her period of training receive from the Matron, or from some registered nurse deputed by the Matron in that behalf, practical instruction in nursing in the wards of the hospital.

(3) Every pupil-nurse shall attend courses of lectures comprising the whole of the subjects set out in the First Schedule hereto and such other subject as the Board may from time to time, by notice to the governing body of the hospital, require.

(4) All such lectures shall be delivered by registered medical practitioners, registered nurses, or other competent instructors approved by the Board.

(5) Such courses of lectures shall be so delivered that every pupil-nurse may attend the same as nearly as possible at regular intervals during her period of training.

(6) Unless otherwise approved by the Board, every pupil-nurse, in addition to other lectures received from registered nurses or other competent instructors hereinbefore referred to, shall attend during the first year of her course at least twenty-four, during the second year at least twenty-four, and during the final year of her course at least thirty-six lectures of one hour each, to be delivered by a registered medical practitioner. In the case of a pupil-nurse receiving part of her training in a Grade "B" Training-school the courses of lectures shall be as directed by the Board:

Provided that the total lectures shall be not less than herein provided.

(7) Every pupil-nurse shall, as part of her training and in the course of her period of training, pass the following examinations to be held at or in connection with the hospital:—

- (a) An examination in elementary anatomy and elementary physiology:
- (b) An examination in general nursing, medical nursing, surgical nursing, and hygiene:
- (c) An examination in cookery for invalids.

(8) (a) No candidate shall present herself for examination in anatomy and physiology until she has undergone at least twelve months of the period of training.

(b) Every candidate shall present herself for examination in anatomy and physiology before she has undergone nineteen months of her period of training:

Provided that a candidate so presenting herself and failing to pass the examination or failing so to present herself on account of sickness or any other reason held by the Board to be sufficient may present herself for examination at a later date to be fixed by the Matron of her Training-school.
