

(c) No candidate shall present herself for examination in nursing and hygiene until she has undergone at least two years and nine months of her period of training.

(d) The said examination in cookery may be passed at any time during the course of training.

(9) The said examinations shall be conducted by the Matron or members of the teaching staff or other competent persons, and the Board may from time to time approve the standard of any such examination and the personnel of the examiners, and require from the governing body of any approved hospital such evidence as it may think necessary of the standard required to pass any such examination; and the Board may decline to recognize a pupil-nurse as having passed an examination if in the opinion of the Board the standard of examination or the personnel of the examiners was unsatisfactory.

(10) The governing body shall give to every candidate who has passed any of the aforesaid examinations a certificate to that effect in a form provided from time to time by the Board.

(11) The governing body of every Grade "A" Training-school shall cause the lectures required by this regulation to be delivered, and the examinations required by this regulation to be conducted, and shall provide for the purposes of such lectures and the general instruction of pupil-nurses, and so as to be available at reasonable times for the use of pupil-nurses, the following:—

- (a) Human skeleton or model thereof; and
- (b) Suitable diagrams; and
- (c) Such text-books and reference-books as may from time to time be required by the Board; and
- (d) Such other equipment as the Board may from time to time require.

(12) The governing body of every Grade "B" Training-school shall cause such part of the lectures required by the regulations to be delivered and such of the examinations required by the regulations to be conducted as the Board may determine in each case, and shall further provide such material for the purpose of instruction as the Board may direct.

5. *Final Qualifying Examination for Nurses.*

(1) The examination for nurses required to be passed by every person seeking to be registered as a nurse under Part II of the said Act shall be an examination conducted by the Board in the subjects set out in the said First Schedule and such other subjects as the Board may have notified under clause (3) of Regulation 4 hereof.

(2) No person shall present herself for examination who has not on the date of the commencement of the examination attained the age of twenty-one years:

Provided that nothing in this clause shall entitle any person to registration before attaining the age of twenty-two years.

(3) No person shall present herself for examination who has not on the date of the commencement of the examination completed the period of training prescribed by Regulation 3 hereof:

Provided that, on special application being made, the Board may, if it thinks fit, permit any person who, being otherwise eligible, has reached within two months of completion of the above-mentioned period of training, to present herself for examination, but registration shall not be granted until such time as she completes the full period of training required.

(4) No person shall present herself for examination who has not on the date of the commencement of the examination undergone the course of instruction prescribed by Regulation 4 hereof, except in pursuance of any special permission granted under the last preceding clause hereof.

(5) The passing of the examination by any person who presents herself in breach of any of the provisions of clauses (2), (3), and (4) hereof shall not be available to satisfy the Board that she has passed such examination in terms of the said Act.

(6) Every candidate for examination shall make application to the Registrar on a form from time to time provided by the Board, and shall, together with such application, tender the following:—

- (a) A certificate of training on a form from time to time provided by the Board, and verified by the Matron and by a Medical Officer of the approved hospital at which such candidate completed her term of training:
