

that the Board and any subsequent licensee shall on the thirty-first day of March in each year pay in respect of the license to the District Engineer of the Public Works Department at Nelson, or otherwise as the Minister may from time to time require, a rental at the rate of 4s. per annum per kilowatt of maximum output, as recorded by the watt-hour meter to be installed by the licensee at the power-house. For the purposes of this condition "maximum output" means twice the number of units generated in the half-hour during which the number of units generated is a maximum for the year, and for this purpose the licensee shall cause the units generated to be recorded half-hourly throughout each day, commencing from noon. In respect of any year in which the maximum output is less than 50 kilowatts the licensee shall pay a rental of ten pounds (£10) in lieu of the rental reserved above.
