14. (1) New securities for the instalments referred to in the last preceding clause shall be issued in the form of debentures in the form numbered (2) in the Second Schedule hereto.

(3) Every new debenture shall state on its face the fact that the holder has no claim in respect thereof upon the Government or public revenues of New Zealand.

(4) Every new debenture shall be signed by the Chairman, countersigned by the Treasurer or some other officer appointed by the local authority for the purpose, and sealed with the common seal of the local authority.

PREMIUMS.

15. (1) The holder of any existing securities bearing interest at a rate which, as reduced in accordance with Part I of the Act, does not exceed the rate of interest payable on the new securities shall, on the conversion of such securities, be entitled to receive new securities for the same aggregate amount of principal as is secured by the existing securities.

(2) The holder of any existing securities bearing interest at a rate which, as reduced in accordance with Part I of the Act, exceeds the rate of interest payable on the new securities shall on the conversion of such securities be entitled to receive new securities for the same aggregate amount of principal as is secured by the existing securities, and, in addition thereto, shall be entitled to receive a premium on such principal computed in accordance with the Third Schedule hereto.

SINKING FUND FOR UNCONVERTED SECURITIES.

18. (1) If dissent is signified in accordance with the provisions of this Order from the conversion of any existing securities to which this Order applies issued in respect of any loan referred to in the First Schedule hereto, the local authority, in order to provide funds for the repayment of the unconverted securities issued in respect of such loan, shall forthwith make provision for the creation, pursuant to a resolution of the local authority, of a sinking fund, of which such persons as the local authority appoints shall be the Commissioners.

(2) For such purpose the local authority shall permanently appropriate a sum which bears the same proportion to the annual contribution payable, before the date of conversion, to the existing sinking fund of such loan as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities issued in respect of such loan, and shall pay such sum to the Commissioners yearly and every year until the maturity date of such unconverted securities, or until the Commissioners are satisfied that the accumulations of sinking fund will suffice to redeem such securities at maturity.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies' Loans Act, 1926, shall, so far as applicable and with all necessary modifications, apply with respect to such sinking fund.
