The holder of any existing securities to which this Order applies may make application to the local authority in writing for the conversion of such securities into new securities in accordance with this Order. Every application under this clause shall be accompanied by the securities to which it relates.

8. If the holder of any existing securities to which this Order applies does not, within the time and in the manner provided by this Order, signify his dissent from the conversion of such securities into new securities, the existing securities shall be converted into new securities in the same manner as if application had been made under the last preceding clause.

9. Dissent from the conversion of any existing securities may be signified at any time before the expiration of fourteen days from the date of conversion.

10. The dissent of the holder of any existing securities from the conversion of those securities into new securities shall be signified in writing, and shall be deemed to be signified when such writing is received by the local authority or by any person authorized by the local authority to receive it.

SURRENDER OF CONVERTED SECURITIES, AND PAYMENT OF INTEREST THEREON.

11. The holder of any existing securities converted into new securities (whether the conversion is on application or after failure to dissent) shall not be entitled to demand payment of any principal or interest payable in respect of the existing securities, or to receive the new securities or any instalment of principal and interest payable in respect thereof, until he has surrendered the existing securities to the local authority.

12. Subject to the provisions of the last preceding clause, the interest on the outstanding principal represented by any such existing securities for the period ending on the date of conversion shall be payable not later than one month from the date of conversion.

13. The aggregate amount of principal secured by the new securities to be issued in conversion of existing securities to which this Order applies, together with interest thereon computed at the rate of four and one-quarter per centum per annum, shall be repaid by equal half-yearly instalments over a period of thirty-two years, the first half-yearly instalment to fall due and be paid on the first day of March, one thousand nine hundred and thirty-five, and subsequent half-yearly instalments to fall due and be paid on every first day of September and first day of March thereafter, the last half-yearly instalment to fall due and be paid on the first day of September, one thousand nine hundred and sixty-six.

14. (1) New securities for the amount of each half-yearly instalment of principal and interest referred to in the preceding clause shall be issued in the form of debentures in the form numbered (2) in the Second Schedule hereto.

(2) All new debentures shall be numbered consecutively, and as between the holders thereof shall rank equally.

(3) Every new debenture shall state on its face the fact that the holder has no claim in respect thereof upon the Government or public revenues of New Zealand.

(4) Every new debenture shall be signed by the Chairman, countersigned by the Treasurer or some other officer appointed by the local authority for the purpose, and sealed with the common seal of the local authority.

PREMIUMS.

15. The holder of any existing securities to which this Order applies shall on the conversion of such securities be entitled to receive new securities for the same aggregate amount of principal as is secured by the existing securities, and, in addition thereto, shall be entitled to receive a premium on such principal computed in accordance with the Third Schedule hereto.

16. (1) Every premium to which any person is entitled under the last preceding clause shall be satisfied by payment of the amount thereof in cash.

(2) All payments of cash in accordance with the last preceding subclause shall be made by the local authority out of the local fund and charged to the appropriate account.

CONSOLIDATED SPECIAL RATE.

18. (1) As a security for the new securities and the unconverted securities the local authority shall forthwith, by resolution gazetted (in the form numbered (3) in the Second Schedule hereto), make and levy a special rate over the whole of the district of the local authority to provide for the payment of the half-yearly instalments of principal and interest in respect of such securities.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the principal, interest, and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926, and as if the local authority were a local authority and its district a district under that Act.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.
