

dated the fifth day of April, one thousand nine hundred and seventeen, and published in the *New Zealand Gazette* No. 65 of the twelfth day of the same month, setting apart Crown land in Block XI, Karioi Survey District, for the purposes of a road.

Given under the hand of His Excellency the Governor-General of the Dominion of New Zealand, and issued under the Seal of that Dominion, this 13th day of September, 1934.

JOHN BITCHENER, Minister of Public Works.

GOD SAVE THE KING!

(P.W. 34/155.)

Amending Regulations for Trout, Perch, or Tench Fishing in the North Canterbury Acclimatization District.

BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this 10th day of September, 1934.

Present:

THE RIGHT HON. G. W. FORBES PRESIDING IN COUNCIL.

WHEREAS by Order in Council dated the eighteenth day of September, one thousand nine hundred and thirty-three, and published in the *Gazette* of the twenty-first day of the same month, at page 2426, regulations were made for trout, perch, or tench fishing in the North Canterbury Acclimatization District:

And whereas it is desirable to amend the said regulations in the manner hereinafter described:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the Fisheries Act, 1908, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby amend the said regulations of the eighteenth day of September, one thousand nine hundred and thirty-three, in the manner set out in the Schedule hereto.

SCHEDULE.

REGULATION 6 (c) of the 18th September, 1933, is hereby revoked and the following regulations substituted therefor:—

“6. (c) Provided that during the 1934-35 fishing season no person shall use any weighted cast or any lure or bait other than fly, which shall not be loaded or weighted, to take trout, perch, or tench in Lakes Lyndon and Georgina, or shall catch more than ten trout, perch, or tench on any one day: Provided further that no person shall take any trout of a size less than 12 in. in Lakes Lyndon or Georgina or both.

“(e) No person shall fish for trout, perch, tench, or other acclimatized fish by any means whatsoever in Taylor's Drain from its source to its junction with the Wairarapa Stream.

“(f) In those rivers where worm bait is permitted no person shall fish for trout, perch, tench, or other acclimatized fish with a single hook larger than No. 6 (old size): Provided however that in the Waimakariri River a single hook of No. 2 (old size) may be used.”

F. D. THOMSON,
Clerk of the Executive Council.

Amending a License authorizing the Hawke's Bay Electric-power Board to use Electric Lines within the Hawke's Bay Electric-power District and Outer Area of such District.

BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 17th day of September, 1934.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers and authorities conferred by the Public Works Act, 1928, and of every other power and authority in anywise enabling me in this behalf, I, Charles, Baron Bledisloe, Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, do hereby amend the Order in Council dated the second day of March, one thousand nine hundred and twenty-five, and published in the *New Zealand Gazette* of the fifth day of the same month, authorizing the Hawke's Bay Electric-power

Board to use electric lines within the Hawke's Bay Electric-power District and Outer Areas as then constituted subject to the conditions set forth in the Schedule thereto, as follows:—

1. By deleting clause 2 of the Schedule thereto, and substituting the following clause:—

“2. SYSTEM OF SUPPLY.”

“The system of supply shall be as described in paragraphs (e) and (g) of Regulation 5 of the Electrical Supply Regulations, 1927. Electrical energy shall be received in bulk from the Public Works Department at approximately 11,000 volts between phases. The primary distribution voltages shall be 11,000 volts and 3,300 volts respectively between phases, and the declared secondary distribution voltage shall be 400 volts between phases and 230 volts between any phase and neutral in the case of alternating-current supply or 460 volts and 230 volts respectively in the case of direct-current supply.”

2. By adding to the Schedule thereto the following two clauses:—

“10. CHANGE-OVER OF SYSTEM OF SUPPLY IN HASTINGS.

“Notwithstanding anything contained in clause 2 hereof, the licensee shall not connect or reconnect to its reticulation any premises or machinery not adapted to receive alternating current; but the licensee shall not require any person whose premises or machinery are on the 1st day of October, 1934, adapted to receive direct current to accept alternating current for any part of his installation for which on that date direct current was supplied to him, unless such installation has since that date been disconnected from the Board's reticulation; nor shall the licensee without the consent of such person discontinue supplying direct current to such premises or machinery without sufficient cause unconnected with the system of distribution; provided that this clause shall apply only within the Borough of Hastings.

“11. SPECIAL CHARGES WITHIN THE BOROUGH OF HASTINGS.

“Notwithstanding the provisions of clause 5 hereof, the licensee shall adopt the scale of charges in operation by the Hastings Borough Council at the date of this Order as the scale of charges for supply by the licensee within the Borough of Hastings. The licensee shall be at liberty to vary such scale of charges from time to time as it thinks fit, but during the period of five years from the day on which the licensee first takes possession of the electrical undertaking of the Hastings Borough Council the licensee shall not make any greater charge for such supply without the prior consent in writing of the Hastings Borough Council: Provided that nothing in this clause shall authorize the licensee to make within the Borough of Hastings any greater charge than the maximum which, for the time being, the licensee is authorized to make generally within the Electric-power District.”

F. D. THOMSON,
Clerk of the Executive Council.

(P.W. 26/984.)

Amending Scale of Fees to be paid for the Inspection of Machinery and Boilers.

BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 17th day of September, 1934.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council dated the twenty-seventh day of April, one thousand nine hundred and thirty-two, and published in the *Gazette* of the twenty-eighth day of the same month, at page 1147, fees to be paid for the inspections of machinery and boilers were prescribed:

And whereas it is expedient to revoke the said Order in Council and to prescribe an amended scale of fees for such inspection:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred by section twenty-nine of the Inspection of Machinery Act, 1928, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke the said Order in Council, and doth hereby make the following regulations prescribing the fees payable in respect of the inspections of machinery and boilers; and doth hereby further order and declare that the said regulations shall come into force on the first day of October, one thousand nine hundred and thirty-four.
