concerned or interested that this Order in Council and the license, rights, and privileges thereby granted and conferred have been revoked and determined.

11. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the licensee shall, if required by the Minister so to do, remove the said buildings entirely from the site and restore the site to its original condition from the site and restore the site to its original condition within three months from the date of the revocation or expiry, as the case may be; and if the licensee fails so to do, the Minister may cause the said buildings to be removed and the site so restored and may recover from the licensee the costs incurred by the said removal and restoration.

12. The occupation of the said buildings shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of the Order in Council.

conditions of the Order in Council.

C. A. JEFFERY, Clerk of the Executive Council.

License authorizing Mary Rait, of Owen Junction, Farmer, to use Water for the Purpose of generating Electricity and to erect certain Electric Lines.

BLEDISLOE, Governor-General. ORDER IN COUNCIL.

At the Government House at Wellington, this 11th day of March, 1935.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL. PURSUANT to the Public Works Act, 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, doth hereby grant to Mary Rait, of Owen Junction, Farmer, a license subject to the conditions hereinafter set forth to obstruct, impound, or divert the waters of an unnamed stream situated on Section 6, Block XII, Matiri Survey District, and to take and use there-from for the purposes hereinafter set forth a stream of water not exceeding three cubic feet per second at any one time, and to erect certain electric lines.

CONDITIONS.

1. Implied Conditions.

The conditions directed to be implied in all licenses by the Water-power Regulations, 1934, shall be incorporated in and shall form part of this license, except in so far as the same may be inconsistent with the provisions hereof.

2. Utilization of Water and Location of Headworks.

Water shall be used under this license solely for the purpose of generating electricity for use by the licensee, and shall be taken from the stream at the point in Section 6, Block XII, Matiri Survey District, indicated on the plan marked P.W.D. 88619, deposited in the office of the Minister of Public Works.

3. GENERAL DESCRIPTION OF WORKS.

The licensee is hereby authorized to construct, maintain, and use the following works for the purposes of this license, the position of the works being indicated on the plan marked P.W.D. 88619 hereinbefore referred to:—

(a) Headworks consisting of an intake and water-race and pipe-lines leading to the water-wheel and power-house hereinafter referred to.

(b) Tail-race leading from the said water-wheel to the

Buller River.

(c) A power-house with all necessary equipment, including water turbines, generators, transformers, lightning-arresters, switchboards, switches, exciters, and other

arresters, switchboards, switches, exciters, and other appliances for generating electricity.

(d) Electric lines from the power-house in the said Section 6 across a road to the residence and cow-shed on Sections 4 and 5, all being situated in Block XII, Matiri Survey District, and shown on the said plan by means of dotted black lines.

4. Duration of License.

This license shall, unless sooner determined, continue in force until the 31st day of March, 1956.

5. System of Supply.

The system of supply shall be as described in paragraph (c) of clause 5 of the Electrical Supply Regulations, 1927. The generating voltage and the transmission voltage shall be approximately 230 volts direct current.

6. RENTAL.

For the purpose of assessing the rental or annual sum payable in respect of the license, the licensee shall install a maximum-demand indicator to the satisfaction of the In-

specting Engineer of the Public Works Department, or, failing specially such installation, the rental shall be determined on the maximum capacity of the generating plant installed. The present plant is rated at 2.5 kilowatts, and falls within the classes described in paragraph (b) of clause (2) of Regulation 6 of the Water-power Regulations, 1934.

C. A. JEFFERY, Clerk of the Executive Council.

(P.W. 26/2041.)

License authorizing Lance Lester William Heaphy, of Berlins, to use Water for the Purpose of generating Electricity and to erect certain Electric Lines.

BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 11th day of March, 1935.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

PURSUANT to the Public Works Act, 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, doth hereby grant to and consent of the Executive Council, doth hereby grant to Lance Lester William Heaphy, of Berlins, Hotelkeeper, a license subject to the conditions hereinafter set forth to obstruct, impound, or divert the waters of Felix Creek, and to take and use therefrom for the purposes hereinafter set forth a stream of water not exceeding five cubic feet per second at any one time, and to erect certain electric lines.

CONDITIONS.

1. Implied Conditions.

The conditions directed to be implied in all licenses by the Water-power Regulations, 1934, shall be incorporated in and shall form part of this license, except in so far as the same may be inconsistent with the provisions hereof.

2. Utilization of Water and Location of Headworks.

Water shall be used under this license solely for the purpose of generating electricity for use on the licensee's premises, and shall be taken from the stream at the point in Crown land, Block IV, Inangahua Survey District, indicated on the plan marked P.W.D. 87930, deposited in the office of the Minister of Public Works.

3. General Description of Works.

The licensee is hereby authorized to construct, maintain, and use the following works for the purposes of this license, the position of the works being indicated on the plan marked P.W.D. 87930 hereinbefore referred to:—

- (a) Headworks consisting of an intake and water-race and pipe-lines leading to the water-wheel and powerhouse hereinafter referred to.
 (b) Tail-race leading from the said water-wheel to the
- Berlins Creek.

Berlins Creek.

(c) A power-house with all necessary equipment, including water turbines, generators, transformers, lightning-arresters, switchboards, switches, exciters, and other appliances for generating electricity.

(d) Electric lines from the power-house across the said Crown land, the Berlins Creek, other part of road reserve, situated in Block VIII, Ohika Survey District, to the licensee's hotel on Section 54, Block VIII, Ohika Survey District.

4. Duration of License.

This license shall, unless sooner determined, continue in force until the $31\mathrm{st}$ day of March, 1956.

5. System of Supply.

The system of supply shall be as described in paragraph (c) of clause 5 of the Electrical Supply Regulations, 1927. The generating voltage and the transmission voltage shall be approximately 230 volts direct current.

6. RENTAL.

For the purpose of assessing the rental or annual sum payable in respect of the license, the licensee shall install a maximum-demand indicator to the satisfaction of the Inspecting Engineer of the Public Works Department, or, failing such installation, the rental shall be determined on the maximum capacity of the generating plant installed. The present plant is rated at 7½ kilowatts, and falls within the classes described in paragraph (h) of clause (2) of Recommendations of the purpose of the pur the classes described in paragraph (b) of clause (2) of Regulation 6 of the Water-power Regulations, 1934.

C. A. JEFFERY, Clerk of the Executive Council.
