

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore necessary for the maintenance of the said boat slip and shed at the site shown on plan marked M.D. 5288.

3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall pay to the Minister the sum of £1, and thereafter an annual sum of £1 in advance, payable on the 1st day of April in each year, the proportionate part of such rental in respect of the period from the 21st day of February, 1935, until the 31st March following to be paid on the licensee being supplied with a copy of this Order in Council.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said boat slip and shed without payment.

5. The licensee shall maintain the above-mentioned boat slip and shed in good order and repair and shall at all times exhibit therefrom and maintain at the licensee's own cost suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

6. Any person authorized by the Minister may, at all reasonable times, enter upon the said boat slip and shed and view the state of repair thereof, and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand a notice in writing of any defect or want of repair in such boat slip and shed requiring the licensee within a reasonable time, to be therein prescribed, to repair the same, the licensee shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulations made thereunder and that are now or may hereafter be in force.

8. The rights, powers, and privileges conferred by or under this Order in Council shall continue in force for fourteen years from the 21st day of February, 1935, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

9. The said rights, powers, and privileges conferred under or by virtue of this Order in Council may be at any time resumed by the Governor-General without payment of any compensation whatever on giving to the licensee three calendar month's previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

10. The licensee shall be liable for any injury which the said boat slip and shed may cause any vessel or boat to sustain through any default or neglect on the licensee's part.

11. In case the licensee shall—

- (1) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2) Cease to use or occupy the said boat slip and shed for a period of thirty consecutive days;
- (3) Become bankrupt, or be brought under the operation of any law for the time being in force relating to bankruptcy; or
- (4) Fail to pay the sums specified in clause 3 of these conditions;

then, and in any of the said cases, this Order in Council and every right, power, or privilege may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceedings whatsoever; and publication in the *Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee and to all persons concerned or interested that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

12. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the licensee shall, if required by the Minister so to do, remove the said boat slip and shed entirely from the site and restore the site to its original condition within three months from the date of the revocation or expiry, as the case may be; and if the licensee fails so to do, the Minister may cause the said boat slip and shed to be removed and the site so restored and may recover from the licensee the costs incurred by the said removal and restoration.
