SINKING FUND FOR UNCONVERTED SECURITIES.

18. (1) If dissent is signified in accordance with the provisions of this Order from the conversion of any existing securities issued in respect of any loan in the First Schedule hereto for which a sinking fund was provided, the local authority, in order to provide funds for the repayment of the unconverted securities issued in respect of such loan, shall forthwith make provision for the creation, pursuant to a resolution of the local authority, of a sinking fund, of which the Public Trustee shall be the Commissioner.

(2) For such purpose the local authority shall permanently appropriate a sum which bears the same proportion to the annual contribution payable, before the date of conversion, to the existing sinking fund of such loan as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such existing sinking fund is held, and shall pay such sum to the Commissioner yearly and every year until the maturity date of such unconverted securities, or until the Commissioner is satisfied that the accumulations of sinking fund will suffice to redeem such securities at maturity.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies' Loans Act, 1926, shall, so far as applicable and with all necessary modifications, apply with respect to such sinking fund.

APPLICATION OF EXISTING SINKING FUNDS.

19. (1) The existing sinking fund of every loan in the First Schedule hereto shall be applied by the Public Trustee as Commissioner thereof, so far as it will extend, in or towards making the following payments, in the following order of priority, namely:—

(a) First, in transferring to the Commissioner of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the securities in respect of which such sinking fund is held; and

(b) Secondly, as far as it will extend in repayment as at the date of conversion of the principal secured by the existing securities issued in respect of such loan and held by the Public Trustee.

(2) Interest up to the date of conversion on any existing securities so repaid in accordance with paragraph (b) of the last preceding subclause shall be paid by the local authority out of the local fund.

CONSOLIDATED SPECIAL RATE.

20. (1) As a security for the new securities and the unconverted securities the local authority shall forthwith, by resolution gazetted (in the form numbered (3) in the Second Schedule hereto), make and levy a special rate over the whole of the Peninsula Riding of the district of the local authority to provide for the payment of the half-yearly instalments of principal and interest in respect of the new securities and of interest, sinking fund, and other charges in respect of the unconverted securities.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the principal, interest, and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.

SECURITIES HELD BY TRUSTEES.

The provisions of sections twenty-two, twenty-three, and twenty-four of the New Zealand Debt Conversion Act, 1932-33 (relating to the adjustment of premiums as between capital and income and to the powers of trustees and other persons in relation thereto), shall apply with respect to existing securities converted into new securities in accordance with this Order in the same way as they apply with respect to securities converted under that Act, save that the references in the said section twenty-two to the first day of April, one thousand nine hundred and thirty-three, shall be construed as references to the day following the date of conversion.

BROKERAGE.

22. The local authority shall not, in respect of the conversion into new securities of any existing securities to which this Order applies, enter into any contract for the payment of brokerage at a rate exceeding one-quarter per centum of the amount of such existing securities.
