Authorizing the Laying-off of Road of less Width than 66 ft.

W HEREAS in the opinion of the Minister of Lands it is inexpedient, by reason of the fact that the land shown upon the plan of Town of Fendalton Extension No. 43, affecting parts Rural Sections Nos. 80 and 143, Block XI, Christchurch Survey District, is intended to be used wholly for residential purposes, that Clifford Avenue shown therein should be of the width of 66 ft.:

Now, therefore, I, Frank Langstone, Minister of Lands, do hereby, in pursuance of the power conferred upon me by section 17, subsection (1), of the Land Act, 1924, and of every power me thereunto enabling, authorize the laying-off of such road of a width of not less than 60 ft.: Provided always that it shall not be lawful for any person to erect or cause to be erected any building at a less distance than 33 ft. from the middle of such road.

Given under my hand, this 22nd day of February, 1936.

FRANK LANGSTONE, Minister of Lands. (L. and S. 25/292.)

(This is in substitution of notice published in New Zealand Gazette No. 13 of 6th February, 1936, at page 241, authorizing the laying-off of Clifford Avenue of a width of not less than 50 ft.)
