

REGULATION 11.—INTERRUPTION OF SUPPLY.

(1) If the manufacture of flour in any mill is seriously interfered with owing to the destruction or damage of the mill by fire, earthquake, tempest, flood, or physical cause (not attributable to want of care on the part of the miller or non-compliance by the miller with the laws or requirements of any authority), or owing to any labour strike, lock-out, civil commotion, or act of superior force or the King's enemies, then and in any such case the miller shall immediately give notice thereof to the Committee.

(2) Thenceforth and for so long as such serious interference continues but no longer the miller shall be excused from compliance with the provisions of clause (4) of Regulation 5 hereof and the consequential provisions of clause (6) of Regulation 6 hereof, and it shall not be necessary for the Committee during such period to fix a monthly quota in respect of such mill, and the Committee may arrange for such monthly quota to be supplied by any other mill or may increase proportionately the monthly quotas fixed in respect of all other mills.

REGULATION 12.—NOTICES.

(1) Any notice to be given by the Committee to a miller shall be in writing and shall be sufficient if sent by a letter or telegram addressed to the miller at his usual place of business and signed (or, in the case of a telegram, purporting to be signed) by the Chairman or Deputy Chairman of the Committee by any authorized officer purporting to act on behalf of the Committee.

(2) Any notice to be given to the Committee shall be in writing and may be delivered at the office of the Committee in Christchurch or sent by post or telegram addressed to the Committee at its office in Christchurch and signed (or, in the case of a telegram, purporting to be signed) by the person by whom the notice is given.

(3) Any notice sent by post or telegram shall be deemed to be given at the time when it would be delivered at its address in the ordinary course of post or of telegraphic delivery as the case may be.

REGULATION 13.—AUDIT AND ACCOUNTS.

(1) Separate accounts shall be kept by the Committee of all moneys received and expended and liabilities incurred and discharged and assets acquired and disposed of in the exercise of its powers under these regulations.

(2) The provisions of Regulation 15 of the principal regulations shall apply to such accounts.

REGULATION 14.—MISCELLANEOUS PROVISIONS.

(1) It shall not be lawful for any miller to part with the possession or control of his mill without the approval of the Committee, and any sale or other disposition of a mill by a miller shall be subject to such terms and conditions as the Committee may reasonably impose.

(2) The Committee shall not fix any monthly quota in respect of a mill unless that mill was erected and operating as a flour-mill before the 1st day of February, 1936, or unless the Committee is satisfied that there is to be adopted at such mill some new and revolutionary process which will increase the efficiency of the flour-milling industry in New Zealand and which has not been and is not proposed to be adopted at any existing mill.

(3) It shall be lawful for the Committee to purchase any assets required in connection with the carrying out of all or any of the functions authorized under these regulations either at a price to be agreed upon by the Committee or at a price to be fixed by arbitration or valuation in manner agreed upon by the Committee and subject to such terms of payment, delivery, and other terms as the Committee may think fit, and the Committee may make provision for payment of such price under the provisions of clause (4) of Regulation 7 hereof.

(4) Every miller shall within thirty days after the enactment of these regulations furnish to the Committee full particulars of every brand in use in connection with flour manufactured by him on the 8th day of February, 1936, and, except so far as the Committee may from time to time permit any such brand to be altered, every miller shall at all times continue to use in the same manner and to the same extent as theretofore the brand or respective brands in use as aforesaid.
