

Board of Trade (Fertilizer) Regulations, 1936.—Fixing Prices of Fertilizer.

GALWAY, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this 14th day of July, 1936.

Present :

THE HON. W. NASH PRESIDING IN COUNCIL.

IN pursuance and exercise of the power and authority conferred upon him by section twenty-six of the Board of Trade Act, 1919, and of every other power and authority enabling him in this behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby, on the recommendation of the Minister of Industries and Commerce, make the following Board of Trade regulations fixing the prices of fertilizer.

REGULATIONS.

1. These regulations may be cited as the Board of Trade (Fertilizer) Regulations, 1936.

2. These regulations shall come into force on the day after the publication thereof in the *Gazette*.

3. The price at which a person may sell superphosphate of the grade commercially known as 44/46 per cent. superphosphate to a person purchasing for his own use and not for purpose of resale is hereby fixed as follows:—

(a) If sold for delivery on trucks ex works situated in the North Island of New Zealand, at £3 16s. per ton.

(b) If sold for delivery on trucks ex works situated in the South Island of New Zealand, at £4 2s. per ton.

(c) If such superphosphate is manufactured in the South Island of New Zealand and is sold for delivery at any other place than the place of manufacture thereof, at £4 2s. per ton plus the amount which would have been charged to a purchaser by the manufacturer thereof on the 30th day of June, 1936, for the carriage of a ton of superphosphate from the place of the manufacture thereof to the place of delivery to the purchaser.

4. The price at which a manufacturer of superphosphate of the grade commercially known as 44/46 per cent. superphosphate may sell the same to a merchant purchasing for the purpose of resale is hereby fixed as follows:—

(a) If sold for delivery on trucks ex works situated in the North Island of New Zealand, at £3 11s. 6d. per ton.

(b) If sold for delivery on trucks ex works situated in the South Island of New Zealand, at £3 15s. 6d. per ton.

(c) If sold by a manufacturer whose works are situated in the South Island of New Zealand for delivery at any place other than the place of the manufacture thereof, at £3 15s. 6d. per ton plus the amount which would have been charged to a purchaser by such manufacturer on the 30th day of June, 1936, for the carriage of a ton of superphosphate from the place of the manufacture thereof to the place of delivery to the purchaser.

5. The price at which a manufacturer of superphosphate of the grade commercially known as 44/46 per cent. superphosphate may sell the same to a dairy company as defined in section 2 of the Dairy Industry Act, 1908, purchasing for the purpose of resale or to a storekeeper purchasing for a like purpose, is hereby fixed as follows:—

(a) If sold for delivery on trucks ex works situated in the North Island of New Zealand, at £3 14s. per ton.

(b) If sold for delivery on trucks ex works situated in the South Island of New Zealand, at £3 18s. per ton.

(c) If sold by a manufacturer whose works are situated in the South Island of New Zealand for delivery at any place other than the place of the manufacture thereof, at £3 18s. per ton plus the amount which would have been charged to a purchaser by such manufacturer on the 30th day of June, 1936, for the carriage of a ton of superphosphate from the place of the manufacture thereof to the place of delivery to the purchaser.

6. The price at which a person may sell any phosphatic fertilizer not manufactured in New Zealand if imported into New Zealand after the coming into force of these regulations to any person buying the same for his own use in the North Island of New Zealand and not for purposes of resale is hereby fixed as follows:—

(a) If sold for delivery ex wharf at the place at which it is imported into New Zealand, at 6 per centum above the landed cost thereof.

(b) If sold for delivery at any other place, at 6 per centum above the landed cost thereof plus the reasonable cost of the carriage thereof from the wharf at the place at which it is imported into New Zealand to the place of delivery to the purchaser.

7. The price at which a person may sell any phosphatic fertilizer not manufactured in New Zealand if imported into New Zealand after the coming into force of these regulations to any person buying the same for his own use in the South Island of New Zealand and not for purposes of resale is hereby fixed as follows:—

(a) If sold for delivery ex wharf at the place at which it is imported into New Zealand, at 8 per centum above the landed cost thereof.

(b) If sold for delivery at any other place, at 8 per centum above the landed cost thereof plus the reasonable cost of the carriage thereof from the wharf at the place at which it is imported into New Zealand to the place of delivery to the purchaser.

8. Nothing in the foregoing provisions of these regulations shall apply to the sale of any fertilizer in a quantity of less than 10 cwt.

9. The Board of Trade (Superphosphate) Regulations, 1934, dated the 11th day of July, 1934, are hereby revoked.
