

Act dated the twenty-ninth day of April, one thousand nine hundred and thirty-six, and appearing in the *New Zealand Gazette* Number thirty-one of the thirtieth idem, at page 807, by deleting the words "1st September" appearing under the heading "Otago Acclimatization District" in the Schedule to such Order in Council, and contained in Condition Number one under the said heading, and by inserting in lieu thereof the words "22nd September": And all licenses issued to take or kill opossums in the Otago Acclimatization District under the authority of the said Order in Council are hereby extended until noon on the said twenty-second day of September, one thousand nine hundred and thirty-six.

C. A. JEFFERY,  
Clerk of the Executive Council.

(I.A. 1933/25/3.)

*Authorizing Albert Percy Leigh, of Kaikohe, Tailor, to erect certain Electric Lines in the Town District of Kaikohe.*

GALWAY, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this 12th day of August, 1936.

Present:

THE RIGHT HON. M. J. SAVAGE PRESIDING IN COUNCIL.

IN pursuance and exercise of the powers conferred by the Public Works Act, 1928, and of all other powers in anywise enabling him in that behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby authorize Albert Percy Leigh, of Kaikohe, Tailor (hereinafter referred to as "the licensee"), to lay, construct, put up, place, and use the electric lines described in the Schedule hereto on the following conditions.

CONDITIONS.

1. PURPOSES OF LINES.

The said lines may be used for lighting, power, and heating purposes.

2. LICENSE TO BE SUBJECT TO REGULATIONS.

The license hereby conferred is subject to compliance by the licensee with the Electrical Wiring Regulations, 1935, the Electrical Supply Regulations, 1935, and with all regulations made or to be made in amplification or amendment thereof or in substitution thereof.

The conditions directed to be implied in all licenses by the Electrical Supply Regulations, 1935, shall be incorporated herein and shall form part of this license except in so far as the same may be inconsistent with the provisions hereof.

3. SYSTEM OF SUPPLY.

The system of supply shall be pursuant to paragraph (d) of clause 21-01 of the Electrical Supply Regulations, 1935.

4. GENERATING VOLTAGE.

Electrical energy shall be generated and transmitted at a pressure of 230 volts direct current between terminals.

5. DURATION OF LICENSE.

Unless sooner lawfully determined, this license shall continue in force until the 31st day of March, 1937, or until electrical energy is available from an Electric-power Board or other general public source, whichever is the earlier.

SCHEDULE.

LINES adapted for supply as prescribed in these presents for the transmission of electrical energy leading from a powerhouse situated in the premises of Brodie Motors, Limited, on Lot part 1q, Taraire No. 1 Block, to the adjoining business premises of the licensee in the same block, all being situated in the Town District of Kaikohe, as shown by means of a black line on the plan P.W.D. 92633, deposited in the office of the Minister of Public Works at Wellington.

C. A. JEFFERY,  
Clerk of the Executive Council.

(P.W. 26/1562.)

*Amending a License authorizing the Hume Pipe Company (Australia), Limited, to use Water from the Cobb River for the Purpose of generating Electricity, and to erect certain Electric Lines, and revoking former Amendment.*

GALWAY, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 19th day of August, 1936.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

PURSUANT to the Public Works Act, 1928, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and with the consent of the licensee, doth hereby amend as set forth in the First Schedule hereto the Order in Council firstly described in the Second Schedule hereto (hereinafter referred to as the "said license"), and doth hereby confirm the said Order in Council as hereby amended; and doth hereby revoke the Order in Council secondly described in the said Second Schedule.

FIRST SCHEDULE.

1. The licensee is hereby expressly authorized to construct, maintain, and use as part of the works two diesel engines, one having a maximum generating capacity of two hundred and fifty kilovolt amperes and one of five hundred kilovolt amperes, both to be situated on a site at Stoke to be selected by the licensee, provided that when the initial development of the hydro-electric installation authorized by clause 4 of the conditions of the said license has been completed and brought into service the said diesel engines shall be reserved for use as standby plant.

2. The licensee is hereby authorized to construct one or more electric lines connecting the electric lines described in part (d) of paragraph (1) of clause 4 of the condition of the said license by the most direct convenient route with the two diesel engines authorized by clause 1 hereof.

3. In determining the rental payable under clause 7 of the conditions of the said license, no payment shall be required in respect of any electrical energy generated by either of the diesel engines authorized by clause 1 hereof at any time when those engines constitute the whole of the company's operating generating plant.

4. Clause 9 of the said license as originally issued is hereby confirmed subject to the substitution of the words "three years and one month" for the words "two years."

5. For the purpose of paragraph (2) of clause 12 of the conditions of the said license the sum of five thousand pounds shall be allowed in respect of that part of the cost incurred prior to the issue of this Order in Council, and the net cost of the works shall consist of the said sum of five thousand pounds together with the cost of materials, labour, designing, and supervision incurred in the construction of the said works after the issue of this license subject to the provisions of the said paragraph (2), but shall not include any item in respect of the formation, flotation, registration, or financing of the licensee company or any assignee company.

6. To facilitate the determination of the price payable on the acquisition of the works by the Crown in accordance with paragraph (2) of clause 12 of the conditions of the license, the licensee shall allow the Minister of Public Works or his nominee at all reasonable times as and when desired by the Minister full and free access to the company's books, accounts, and papers for the purpose of ascertaining by independent investigation what is the net cost of the works.

7. The last sentence in paragraph (3) of clause 12 of the conditions of the license is hereby revoked, and the following paragraph is hereby added to clause 12:—

"4. Any mortgage, charge, or lien given by the licensee over the works or the undertaking shall be made expressly subject to this clause apart from or in addition to any other terms or conditions imposed by the Governor-General in Council or the Minister under Regulation 6, clause 21, of the Water-power Regulations, 1934."

SECOND SCHEDULE.

1. Order in Council dated the 12th day of July, 1935, published in the *Gazette* on the 18th day of the same month, at page 1941, authorizing the Hume Pipe Company (Australia), Limited, to use water from the Cobb River for the purpose of generating electricity and to erect certain electric lines.

2. Order in Council dated the 3rd day of December, 1935, published in the *Gazette* on the 5th day of the same month, at page 3585, amending the Order in Council firstly described in this Schedule.

C. A. JEFFERY,  
Clerk of the Executive Council.

(P.W. 26/910.)
