

to any person on payment of the sum of ten shillings (10s.) each; and the Secretary of the Buller Acclimatization Society, or any person authorized by such Secretary in that behalf, is hereby authorized to sign and issue the said licenses.

6. No person shall in any one day take or kill more than twenty-five head in all of hares and grey duck, or take or kill more than ten head of grey duck, or take or kill more than eight head of pukeko; provided that in estimating the total head of game which may be taken or killed by any one person in any one day pukeko shall not be taken into consideration, or take or kill more than twenty head of godwit.

7. No person shall take or kill native game during the period commencing on 1st May and terminating on 31st May, 1937 (inclusive), while occupying any stand, hide, loo, or position as commonly used by duck-shooters (hereinafter referred to as "a stand") which has been duly claimed by any other license-holder in accordance with the following provisions:—

- (a) A stand may be claimed by the planting thereon at any time after noon on the 25th day of April, 1937, of a stake with a board attached having plainly marked thereon the name and address of the claimant and the number of his license:
- (b) No person shall claim more than one stand:
- (c) No stand shall be claimed on or within one hundred yards of a stand which has already been duly claimed by any other person, except with the consent of such last-mentioned person:

Provided, however, that any stand which is not occupied by the claimant by seven a.m. on any of the aforesaid days may be occupied by any other license-holder:

Provided further that nothing in this clause contained shall be deemed to affect in any way whatsoever the rights of owners or occupiers of any lands in respect of shooting on such lands.

8. Excepted area wherein imported game and/or native game shall not be taken or killed during the open season:—

All that area in the Nelson Land District, bounded by a line commencing at the north-eastern corner of Section 60, Block II, Steeples Survey District; thence along the north-eastern boundary of Sections 60 and 16 to the railway; thence south-westerly along the railway to its junction with the Westport-Cape Foulwind Railway; thence south-easterly along the Westport-Cape Foulwind Railway to the western boundary of Section 222, Block II, Steeples Survey District; thence along the western boundary of said Section 222 to high-water mark; thence easterly, westerly, and north-easterly along high-water mark to a point in line with the north-eastern corner of Section 60 aforesaid; thence by a right line to the north-eastern corner of said Section 60, the point of commencement.
