

10. The rights, powers, and privileges conferred by or under this Order in Council shall continue in force for fourteen years from the 1st day of September, 1937, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

11. The said rights, powers, and privileges may be at any time resumed by the Governor-General, and the company may be required to remove the jetty at the company's own cost, without payment of any compensation whatever, on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last-known registered office of the company in New Zealand.

12. The company shall be liable for any injury which the said jetty may cause any vessel or boat to sustain through any default or neglect on the company's part.

13. In case the company shall—

- (2) Cease to use or occupy the said jetty for a period of thirty consecutive days;
- (3) Fail to pay the sums specified in clause 3 of these conditions; or
- (4) Be in any manner wound up or dissolved—

then, and in any of the said cases, this Order in Council and every license, right, power, or privilege thereby conferred may be revoked and determined by the Governor-General in Council without any notice to the company or other proceedings whatsoever; and publication in the *Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company and to all persons concerned or interested that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

14. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the company shall, if required by the Minister so to do, remove the said jetty entirely from the site and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the company fails so to do, the Minister may cause the said jetty to be removed and the site so restored, and may recover from the company the costs incurred by the said removal and restoration.

15. The erection of the said jetty shall be sufficient evidence of the acceptance by the company of the terms and conditions of this Order in Council.
