\* Awaits completion of press message.

Publications.—List of Wireless Signals, Volume I, 1938, page 499; Volume II, 1937, page 243.

Authority.—Admiralty Notices Nos. 3, 890, and 1592 of 1938.

AREA 11.—NOTE.

Marine Department, Wellington, N.Z.

1. Stations not working on 500 kc/s (600 metres) will broadcast the full "test" message at times and on frequencies laid down in the above Schedule for Area 11.

2. Brief "warning" messages from the 500 kc/s (600 metres) stations will be transmitted at any time and repeated twice every 24 hours during the test period at times when ships with only one W/T operator are keeping watch.

3. Messages for ships in all areas, or any particular area, may also be broadcast from Rugby and Oxford at 0000, 1200, and 2000 G.M.T. and from Falklands at 0410 and 1610 G.M.T., on frequencies shown in paragraph 3. (M. 10/145.)

L. B. CAMPBELL, Secretary.
