1. This Order may be cited as Price Order No. 760, and shall come into force on the 14th day of September, 1947.
2. (1) Price Orders No. 68† and No. 99‡ are hereby revoked.

 - (b) Sales to a storekeeper—that is to say, to a person (not being a merchant, dairy company, or farmers' organization as hereinafter mentioned), purchasing solely for resale to users;
 - (c) Sales to a merchant—that is to say, to a person purchasing for resale to storekeepers or to users;

(2) The prices for superphosphate fixed by this Order are fixed in respect of sales for cash or for credit until a date not later than the 20th day of the month next following the month of delivery.

(3) Where any sale is made on terms allowing credit for a longer period than that mentioned in the last preceding subclause, the purchaser shall be entitled, notwithstanding anything to the contrary in the contract of sale, to the benefit of the prices fixed by this Order if in fact payment is made not later than the 20th day of the month next following the month of delivery.

(4) The prices fixed by this Order include the price of the sacks or paper bags.

5. (1) Where any superphosphate manufactured in the South Island is sold for delivery "ex works" or "free on rail" at Burnside, Hornby, or Ravensbourne, or "free on rail" at Ashburton, Balclutha, Gore, Invercargill, Oamaru, or Timaru, the maximum price that may be charged or received shall be the appropriate price specified in the First Schedule hereto.

(3) Where any superphosphate is sold for delivery elsewhere than at one of the places mentioned in subclauses (1) and (2) of this clause, the maximum price that may be charged or received shall be the appropriate price fixed in the First or Second Schedule hereto, whichever is appropriate, increased by the amount of the freight charges between the place of delivery and such one of the said places as is nearest or most convenient of access to the place of delivery: Provided that the amount added to the price in respect of freight charges shall not in any case exceed the amount that would have been incurred had delivery been effected by a common carrier at current rates.

(4) In every invoice, debit-note, or similar document issued by a vendor to a user in respect of the sale of any superphosphate there shall be shown separately—
