DEPENDENCY

By A. S. HELM

164 pages. Price 22s. 6d.

AGRICULTURAL BOTANY

By J. S. YEATES and ELLA O. CAMPBELL

This book supplies a long-felt want in this country by providing a simple explanation of the manner in which plants function and the conditions necessary for their growth. Wherever possible technical terms have been avoided, and those essential to a proper understanding of the subject have been fully explained. Over one hundred illustrations contribute to a clear exposition of the subject. As a result, although the book is primarily intended for use in schools and colleges, it is also suitable for farmers, orchardists, horticulturists, and home gardeners.

236 pages. Price 25s.

NEW ZEALAND ECONOMIC SURVEY 1958

This year's Economic Survey is the eighth of an annual series dealing with recent changes in the New Zealand economy and significant economic trends in overseas countries which are likely to affect New Zealand. The usual selection of the more important economic statistics is also included.
