SCALE OF CHARGES

LOCAL RATES SCALE OF CHARGES

PURSUANT to the Government Railways Act 1949, the Minister of Railways hereby fixes the following local rates or scales of charges, and hereby imposes the following conditions and regulations in respect of the New Zealand Government Railways; and hereby declares that such local rates or scales of charges and such conditions and regulations shall come into force on the 1st day of January 1963 on which date all local rates or scales of charges, conditions, and regulations previously made, fixed, or imposed in this behalf in respect of the said railways shall be revoked.

As witness my hand this 26th day of October 1962.

JOHN McALPINE, Minister of Railways.

THE following rates or scales, conditions, and regulations may be cited as the Local Rates Scale of Charges, and shall be read together with and deemed part of the scales, conditions, and regulations fixed and imposed on the 28th day of May 1957 and therein cited and hereinafter referred to as the General Scale of Charges:

The following rates or scales shall be charged upon the portions of the railway hereinafter specified instead of the classified rates set forth in the General Scale of Charges.

Except as expressly provided hereinafter:

- (i) The conditions and regulations prescribed by the General Scale of Charges with respect to goods (which expression means goods, luggage, or chattels of any description, and includes live or dead animals) shall apply to goods charged at or according to the following rates or scales.
- (ii) The following rates or scales shall not apply to goods conveyed through the Parcels Departments.
- (iii) The following rates or scales shall apply only between the stations named and cannot be combined with other local rates or with standard rates for the purpose of computing freight charges.
