NOTICE is hereby given of an application by the Wairarapa Hospital Board, a trustee under the will of Arthur Powys Whatman, late of Masterton, retired sheep farmer, deceased, for approval under Part III of the above-mentioned Act of a scheme for the disposition of the property (including the home known as "Panama") and income vested in or payable to the said board under the said will.

Particulars of the scheme are as follows; in these particulars "the Association" means the Wellington Presbyterian Social Service Association Incorporated and "Kandahar" means the home for elderly people at Masterton, maintained by the association:

1. The scheme is for the disposition of the trust property, which property is the land now comprising the "trust realty" as defined in clause 10 of the said will and being more particularly described in the Schedule hereto (which realty includes "Panama" as defined in the said clause 10) and all buildings, erections, chattels, household effects, and things thereon now held in trust by the said Board under clauses 10 and 11 of the said will.

2. The scheme is also for the disposition of the income to be derived in the future from the residuary estate of the testator referred to in clause 12 of the said will.

3. Upon the board being satisfied—

(a) That Kandahar has been extended by the addition of a new wing or new buildings containing not less than 14 beds (eight of which are in replacement of the accommodation at Panama) and an appropriate part of the new wing or new buildings is called Panama or Whatman; and

(b) That such of the eight persons at present resident at Panama as wish to reside at Kandahar have been provided with suitable accommodation in that home; and

(c) That the said new wing or new buildings are held upon trust for the purpose of providing a convalescent or rest home or permanent home for aged and needy people irrespective of race, colour, or creed, residents being free to attend services at any church or other religious service or to decline to attend any such service;

then the board shall transfer the trust property, subject to any existing lease or tenancy, to the association, and from and after such transfer the provisions of clauses 4, 5, and 6 hereof shall take effect.

4. The association shall thereupon hold the trust property upon trust to sell the same either as a whole or in lots by public auction, or by tender, or by private contract at such price and upon such terms and conditions as the Minister of Health shall approve.

5. The association shall hold the proceeds of sale of the trust property upon trust to pay to the Government of New Zealand so much thereof as is equal to eight-fourteenths of the cost of so extending Kandahar and shall hold the balance of such proceeds of sale (if any) upon trust to apply the same for the general purposes of Kandahar as the association shall think fit.

6. All income to be derived from the residuary estate of the testator from and after such transfer shall be paid by the Public Trustee to the association and shall be applied by the association for the general purposes of Kandahar.

7. The costs of the Attorney-General, the board, and the association of and incidental to this scheme shall be paid out of the said residuary estate.
