Terms and Conditions

ROUND 51

THE terms and conditions applicable to this tender round shall be those specified in the Guide to Import Licence Tendering published in the *Gazette* of 6 November 1986 as modified by the terms and conditions set out below.

WHO MAY BID

1. Import licence tendering is open to all entities which are entitled to obtain an import licence in accordance with the Import Licence Schedule reference to "Who Can Apply".

REGISTER OF TENDERERS

2. A Register of Tenderers is maintained by the department as provided for in the Guide to Import Licence Tendering. Each Tenderer is allocated a confidential registration number.

3. Tenderers who submit bids without first having been allocated a registration number will be entered on to the register at the time bids are opened provided the Tenderer has indicated by a cross in the unregistered Tenderer box on the bid form that the Tenderer is unregistered.

CALL FOR TENDERS

4. The Call for Tenders may be amended in whole or in part and tenders withdrawn by notice in the *New Zealand Gazette*.

HOW TO BID

5. Bid forms for this tender form 335H, are supplied with the mailing of the *Gazette* or they may be obtained from any office of the department. Only one bid per form is allowed and each bid form must have a bank cheque to the value of the deposit required for the bid attached to it. Deposits remitted in respect of bids which are unsuccessful or invalid will be refunded. To complete the bid form:

- If an information label is attached to the bid form the Tenderer does not need to re-enter the name, address, registration number, and importer code. An entity may photocopy a bid form which bears its information label. Any photocopied forms must bear an original signature and the photocopy must be legible for that bid to be valid.
- Where an information label is not attached, the registration number and all other information required must be entered by the Tenderer. Tenders which do not contain the registration number of the tenderer will be invalid unless the Tenderer is not registered *and* the unregistered Tenderer box on form 335H has a cross in it to indicate that the Tenderer is not registered.
- The form must be completed in accordance with the instructions attached to the bid form.
- Each bid form must be signed in ink.
- Each bid form must have attached to it a bank cheque to the value of the deposit shown on the bid form. Failure to do so will invalidate the bid.
- Make only one bid per form.

RESPONSIBILITY FOR CLASSIFICATION

6. It is the responsibility of the Tenderer to ensure that the goods to be imported against a given tender number are correctly classified in the Item Code and Tariff Item included in the relevant tender number.

CLOSING OF BIDS

7. Bids must be received by the Registrar of Tenders in Wellington by October 5, 1987 at 5 p.m.

8. Bids for this round will only be valid if they are on form 335H. Bids should be addressed to the Registrar of Tenders, P.O. Box 3146, Wellington, and envelopes should be clearly marked "IMPORT LICENCE TENDER" in the bottom right hand corner of the envelope.

9. Tenders may not be submitted through the facsimile system of the Department of Trade and Industry.

10. Bids received after 5 p.m. on October 5, 1987 will not be accepted.

- (h) The premium bid per unit is not shown on the bid form.
- (i) Payment is not by a bank cheque.
- (j) A bank cheque to the value of the deposit shown on the bid form, is not attached to the bid form.
- (k) The value of the cheque is less than the deposit required.
- (l) There is more than one bid on a bid form.

DETERMINATION OF RESULTS

12. The available licence units are allocated to Tenderers offering the highest premiums.

13. Where bids of equal value would otherwise qualify to be allocated licence, but there are less licence units unallocated than are covered by the bids, licence will be allocated on the basis of a random selection.

14. The value of all winning bids made by each Tenderer and the premiums payable by the Tenderer in this round will be aggregated so that only one invoice for payment and only one licence will be issued to each successful Tenderer.

ANNOUNCEMENT OF RESULTS

15. Each Tenderer will be notified in writing of the results of its bids.

16. Results will be published in the *New Zealand Gazette*.

PAYMENT OF PREMIUMS

17. Results letters sent to successful tenderers will indicate the balance of the premium due for the licence to which it relates. The balance must be received by the Finance Section, Department of Trade and Industry, Private Bag, Wellington no later than the date specified in the results letter. Otherwise no licence will be issued to the successful Tenderer and the deposit will be forfeited.

REFUNDS OF DEPOSITS

18. Deposits remitted in respect of unsuccessful or invalid bids will be refunded to the Tenderer.

RESIDUAL LICENCE

19. There will be no residual licences in respect of this tender round.

CONTINUITY LICENCE

20. Holders of licence issued as a result of this tender round will be entitled to continuity licence to the value of 50 percent of the value of the licence held. Such continuity licence will be valid for 12 months from the expiry date of the original licence.

21. Successful tenderers who subsequently assign all or part of their licence will automatically forfeit their rights to continuity licence on the amount of tender licence so assigned. However continuity licence will be available to holders of assigned licences where the assignment has taken place in the first nine months of the validity period of the tender licence.

22. Payment in full for continuity licence must be made within 3 months of the licence start date.

EXTENSION OF LICENCE

23. Tender licences may be extended beyond their expiry date in the following circumstances. In cases where goods have been ordered in time to arrive before the licence expires but are delayed for reasons outside the importer's control (e.g. delay in ships) licences can be extended for 60 days beyond the expiry date by an endorsement of the licence by a Customs Department Licensing Officer. Requests for such extensions of licences must explain the reasons for the delay, provide evidence that the goods were ordered in time to arrive before the expiry of the licence and that they will arrive within the 60 day extension period.

ASSIGNMENT

24. Licence holders may assign their licence in full or in part to one or more other parties when they have paid for their licence in full. Parties to an assignment must signify their agreement to the assignment on the appropriate form which can be obtained from any office of the department.

GOODS AND SERVICES TAX

25. GST is not payable on the premiums.
