

\$25 PRIZES ESTABLISHED

Table with multiple columns of numbers, likely representing lottery results or prize distributions. The table is organized into several vertical sections, each starting with a number (e.g., 6883, 959242, 991659) and followed by a list of numbers. Some numbers are bolded or underlined, possibly indicating winning numbers or specific prize tiers.

PRIZE DRAW NO. 220

Table with multiple columns of numbers, likely representing lottery results or prize distributions. The table is organized into several vertical sections, each starting with a number (e.g., 7081, 7087, 7088) and followed by a list of numbers. Some numbers are bolded or underlined, possibly indicating winning numbers or specific prize tiers.
