

of study and training, pursuant to paragraphs (d) and (e) of subsection (1) of section 253, hereby publishes them.

2. The categories of courses to which the criteria applies are:

(a) All applications in respect of courses of study or training, leading to an award described as a 'degree' or the description of which includes the word 'bachelor', 'master' or 'doctor' provided (i) by institutions other than the universities established under section 162 (1) (a) or section 162 (2), or (ii) by registered establishments (including any permitted under section 264 to use the term 'university', 'college of education' or 'polytechnic' to describe an educational establishment or facility).

(b) All applications in respect of courses of study or training provided by universities established under section 162 (1) (a) or section 162 (2).

3. The New Zealand Qualifications Authority or any body exercising powers of approval and accreditation under the provisions of section 260 (2), in respect of applications in category (a) above, or the New Zealand Vice-Chancellors' Committee in exercising powers of approval and accreditation under section 260 (1) in respect of applications in category (b) above, shall satisfy itself as to the standard and quality of every course in regard to the following matters, according to the detailed procedures and rules approved by the Authority or the Vice-Chancellors' Committee respectively:

(i) The acceptability of the proposed course to the relevant

academic, industrial, professional and other communities in terms of its stated objectives, nomenclature, content and structure.

(ii) The adequacy and appropriateness of the regulations that specify requirements for admission, credit for previous study, recognition of prior learning, course structure, assessment procedures and the normal progression.

(iii) The availability of appropriate academic staffing, teaching and research facilities and support services.

(iv) The adequacy of the means of ensuring that assessment procedures are appropriate, given the stated objectives and fair; and

(v) The adequacy of the provisions for monitoring course standards and quality, for reviewing course regulations and content and for determining whether the course shall continue to be offered.

4. Information regarding the application of the criteria in respect of categories (a) and (b) shall be made available to the Authority to enable it to perform its functions under section 260.

Dated at Wellington this 9th day of October 1992.

M. FITZSIMONS, New Zealand Qualifications Authority.
